1. *Short title, application and commencement.*—(1) These rules may be called the Maharashtra Non-Agricultural Universities and affiliated Colleges Standard Code (revised pay of non-teaching employees) Rules, 1989.

(2) (a) These rules shall apply to all full-time non-teaching employees of the non-Agricultural Universities, and the affiliated colleges, other than those managed and maintained by the State Government and Local authorities, appointed on time-scale of pay.

(b) These rules shall not apply to—

(i) Employees not in the whole time employment ;

(ii) Employees on consolidated rates of pay ;

(iii) Employees appointed on contract except where the contract provides otherwise ;

(iv) Employees paid out of contingencies ;

(v) Daily rated employees ;

(vi) Employees who retired on or before 31st December 1985 and who were on re-employment on that date including those whose period of re-employment extended after that date.

(3) These rules shall be deemed to have come into force on the 1st January 1986.

2. *Definitions.*—In these rules unless the context otherwise requires—

(1) "basic pay" means the pay (including Special Dearness Pay) which has been sanctioned for a post held by an employee substantively or in an officiating capacity or to which he is entitled by reason of his position in a cadre.

(2) "existing scale" in relation to an employee means the present scale applicable to the post held by the employee (or, as the case may be, personal scale applicable to him) as on the 1st day of January 1986 whether in a substantive or officiating capacity.

Explanation.—In the case of an employee, who was on the 1st day of January, 1986 on deputation or on leave or on foreign service, or who would have on that date officiated in one or more lower posts but for his officiating in a higher post, "existing scale" includes the scale applicable to the post which he would have held but for his being on deputation or on leave or on foreign service or, as the case may be, but for his officiating in a higher post.

Note.—A list of existing scales of pay in operation has been prescribed under Government Resolution, Education, Employment and Youth Services Department, No. NGC. 1279/164710/XXXII-CE-II, dated 1st August, 1979 and has been given in Annexure-I.

(3) "present scale" in relation to any post specified in column 2 of the Schedule means the scale of pay whether fixed or otherwise against that post in column 3 thereof.

(4) "revised emoluments" means the basic pay of an employee in the revised scale admissible to him.

(5) "revised Scale" in relation to any post specified in column 2 of the Schedule means the scale of pay specified against that post in column 4 thereof unless a different revised scale is notified separately for that post.

(6) "Schedule" means a schedule annexed to these rules.

(7) "Normal Increment" means an increment equal to the rate of last increment below the maximum of the revised scale admissible for protecting the existing emoluments as defined in Explanation below proviso to sub-rule (1)(A) of rule 6 including 20 per cent of basic pay, subject to a minimum of Rs. 75 p.m.

(8) "Adhoc increment" means an increment at the rate of last increment below the maximum of the revised scale admissible beyond the normal/normal increment.

Note.—A list of revised pay scales is given in Annexure-II

3. *Scale of pay of posts.*—As from the date of commencement of these rules, the scale of pay of every post specified in column 2 of the Schedule shall be as specified against it in column 4 thereof.

4. *Drawal of pay in the revised scales.*—Save as otherwise provided in these rules, an employee shall draw pay in the revised scale applicable to the post to which he is appointed:

Provided that an employee may elect to continue to draw pay in the existing scale until the date on which he earns his next or any subsequent increment in the existing scale or until he vacates his post or ceases to draw pay in that scale.

Explanation 1.—The option to retain the existing scale under the proviso to this rule shall be admissible only in respect of one existing scale.

Explanation 2.—The aforesaid option shall not be admissible to any person appointed to a post on or after the 1st day of January 1986, whether for the first time in University/Affiliated College service or by transfer or promotion from another post and he shall be allowed pay only in the revised scale.

Explanation 3.—Where an employee exercises the option under the proviso to this rule to retain the existing scale in respect of a post held by him in an officiating capacity on a regular basis for the purpose of regulation of pay in that scale or under any other rules or order applicable to that post, his substantive pay shall be the substantive pay which he would have drawn had he retained the existing scale in respect of the permanent post on which he holds a lien or would have held a lien had his lien not been suspended or the pay of the officiating post which has acquired the character of substantive pay in accordance with any order for the time being in force, whichever is higher.

5. *Exercise of Option.*—(1) The option under the proviso to rule 4 shall be exercised in writing in the form appended to these rules (Annexure III) so as to reach the authority mentioned in sub-rule (2) within three months of the date of publication of these rules or where an existing scale has been revised by any amendment made to these rules within three months of the date of such order :

Provided that—

(i) in the case of an employee who is, on the date of such publication or, as the case may be, date of such order, on leave or deputation or foreign service, the said option shall be exercised in writing so as to reach the said authority within three months of the date of his taking charge of his post ; and

(ii) where an employee is under suspension on the 1st day of January 1986 the option may be exercised within three months of the date of his return to his duty if that date is later than the date prescribed in this sub-rule.

(2) The option shall be intimated by—

(a) the non-teaching employees (including officers) of the Universities in duplicate to the Registrar of the concerned University who shall forward one copy of the same to the concerned Administrative Officer, Higher Education Grants immediately.

(b) the non-teaching employees (including officers) of the affiliated Colleges or of recognised Institutions in duplicate within the stipulated period to the Principal of the affiliated college or the Head of the recognised Institution, as the case may be who shall forward one copy thereof to the Administrative Officer, Higher Education Grants immediately.

(3) If the intimation regarding option is not received within the time mentioned in sub-rule (1), the employee shall be deemed to have elected to be governed by the revised scale of pay with effect from the 1st day of January 1986.

(4) The option once exercised shall be final.

Note 1.—Persons whose services were terminated on or after the 1st January 1986 and who could not exercise the option within the prescribed time limit, on account of death, discharge on the expiry of the sanctioned posts, resignation, dismissal or discharge on disciplinary ground, are entitled to the benefits of this rule.

Note 2.—Persons who have died on or after the 1st day of January, 1986 and could not exercise the option within the prescribed time limit be deemed to have opted for the revised scales from the 1st day of January 1986 or such after the date as is most beneficial to their dependents, if the revised scales are more favourable and in such cases, necessary action for payment of arrears should be taken by the concerned University/Affiliated College.

6. *Fixation of initial pay in the revised scale.*—(1) The initial pay of an employee who elects, or is deemed to have elected under sub-rule (3) of rule 5 to be governed by the revised scale from the 1st day of January 1986, shall be fixed separately in respect of his substantive pay in the permanent post on which he holds a lien or would have held a lien if it had not been suspended, and in respect of his pay in the officiating post held by him, in the following manner, namely :—

(A) in the case of all employees—

(i) an amount representing 20 per cent of the basic pay in the existing scale, subject to a minimum of Rs. 75, shall be added to the "existing emoluments" of the employee ;

(ii) after the existing emoluments have been so increased, the pay shall thereafter be fixed in the revised scale at the stage next above the amount thus computed ;

Provided that—

(a) if the minimum of the revised scale is more than the amount so arrived at, the pay shall be fixed at the minimum of the revised scale ;

(b) if the amount so arrived at is more than the maximum of the revised scale, the pay shall be fixed at the maximum of that scale except that in the case of an employee if the amount so arrived at is more than the maximum of the revised scale, the pay should be fixed at the stage next above that amount by adding required number of notional increments to such maximum.

Explanation.—For the purpose of this clause, "existing emoluments" shall include,—

(a) the basic pay in the existing scale ;

(b) dearness allowance and ad hoc dearness allowance admissible as on 1st January 1986 on the basis pay ; and

(c) the amounts of first interim relief (revised under Government Resolution, Finance Department, No. 44/286/599/Seva-10, dated 10th November 1986) and second interim relief admissible on the basic pay in the existing scale;

Note.—A table showing the various stages in the existing pay scales, dearness allowance and ad hoc dearness allowance in and 2nd Interim Relief and 20 per cent of basic pay subject to a minimum of Rs 75 admissible thereon, is given in Annexure IV.

(B) in the case of employees who are in receipt of special pay in addition to pay in the existing scale and whose existing scale with special pay has been replaced by a scale of pay after merging the special pay, the pay shall be fixed in the revised scale in accordance with the provisions of clause (A) above except that in such cases "existing emoluments" shall include,—

- the basic pay in the existing scale,
- existing amount of special pay,
- Dearness allowance and ad hoc dearness allowance admissible as on 1st January 1986 on the basic pay and special pay under the relevant orders; and
- The amount of the first interim relief (revised under Government Resolution, Finance Department No. 44/286/599/Seva-10, dated 10th November, 1986) admissible on basic pay plus special pay in the existing scale and the amount of second interim relief admissible on basic pay.

(C) in the case of employees who are in receipt of special pay in addition to pay in the existing scale and in whose case special pay continues with the revised scale of pay either at the same rate or at a different rate, the pay in the revised scale shall be fixed in accordance with the provisions of clause (A) above with reference to existing emoluments calculated in accordance with the explanation thereto, after excluding the existing special pay and the amounts of dearness allowance and ad hoc dearness allowance admissible thereon. In such cases special pay at the new rate shall be drawn in addition to the pay so fixed in the revised scale.

Note 1.—Where an employee is holding a permanent post and is officiating in a higher post on a regular basis and the scales applicable to these two posts are merged into one scale, the pay shall be fixed under this sub-rule with reference to the officiating post only, and the pay so fixed shall be treated as substantive pay. The provisions of this Note shall apply, *mutatis mutandis*, to the employees holding in an officiating capacity posts on different existing scales which have been replaced by a single revised scale.

Note 2.—Where the existing emoluments as calculated in accordance with clause (A), clause (B) or clause (C) as the case may be, exceed the revised emoluments in the case of any employee the difference shall be allowed as personal pay to be absorbed in future increases in pay, except in the cases covered by proviso (d) of sub-rule (1)(A) above.

Note 3.—Where in the fixation of pay under sub-rule (1) the pay of the employee drawing pay at more than five consecutive stages in an existing scale gets bunched, that is to say, gets fixed in the revised scale at the same stage, the pay in the revised scale of such of these employees who are drawing pay beyond the first five consecutive stages in the existing scale shall be stepped up as under, by the grant of increment(s) in the revised scale in the following manner namely:—

- for employees drawing pay from the 6th upto the 10th stage in the existing scale—By one increment,
- for employees drawing pay from the 11th upto the 15th stage in the existing scale, if there is bunching beyond the 10th stage—By two increments;
- for employees drawing pay from the 16th upto the 20th stage in the existing scale, if there is bunching beyond the 15th stage—By three increments.

If by stepping up of the pay as above, the pay of an employee gets fixed at a stage in the revised scale which is higher than the stage in the revised scale at which the pay of an employee who was drawing pay at the next higher stage of stages in the same existing scale is fixed, the pay of the latter shall also be stepped up only to the extent by which it falls short of that of the former.

Note 4.—Where in the fixation of pay under sub-rule (1) pay of an employee who, in the existing scale was drawing immediately before the 1st day of January 1986, more pay than another employee junior to him in the same cadre, gets fixed in the revised scale at a stage lower than that of such junior, his pay shall be stepped up to the same stage in the revised scale as that of the junior.

Note 5.—Where an employee is in receipt of personal pay on the 1st day of January 1986, which together with his existing emoluments, as calculated in accordance with clause (A), clause (B) or clause (C), as the case may be, exceeds the revised emoluments then, the difference representing such excess shall be allowed to such an employee as personal pay to be absorbed in future increases in pay.

Note 6.—In cases where a senior employee promoted to a higher post before the 1st day of January 1986 draws less pay in the revised scale than his junior who is promoted to the higher post on or after the 1st day of January 1986, the pay of the senior employee should be stepped up to an amount equal to the pay as fixed for his junior in that higher post. The stepping up should be done with effect from the date of promotion of the junior employee subject to the fulfilment of the following conditions, namely:—

- both the junior and the senior employees should belong to the same cadre and the posts in which they have been promoted should be identical in the same cadre;
- the pre-revised and revised scales of pay of the lower and higher post in which they are entitled to draw pay should be identical and
- the anomaly should be directly a result of the application of the provisions of Rule 18 of the Maharashtra Non-Agricultural Universities and Affiliated Colleges Standard Code (Terms and Conditions of Service of Non-teaching Employees Rules 1984 or any other rule or order regulating pay on such promotion in the revised scale. If even in the lower post, the junior officer was drawing more pay in the pre-revised scale than the senior by virtue of any advance increments granted to him previous to this Note need not be invoked to step up the pay of the senior officer.

Note 7.—In the case of an employee promoted to a higher post on or after 1st January 1986, the pay of the lower post in the revised scale shall be fixed first under these rules and then the pay fixed in the revised scale of the higher post under normal rules.

Note 8.—In the case of an employee who is drawing reduced pay as on 1st January 1986 in the existing scale on account of imposition of penalty under the provisions of Maharashtra Non-Agricultural Universities and Affiliated Colleges Standard Code (Terms and Conditions of Service of Non-teaching Employees) Rules, 1984, the pay in such cases should be fixed as under:—

- on the basis of pay actually drawn on 1st January 1986, and
- on the basis of pay which would have been drawn but for the penalty.

The revised pay as fixed at (a) above may be allowed from 1st January 1986 to the date of expiry of penalty and the revised pay fixed as at (b) above, from the date following the date of expiry of the penalty after allowing increment if any, that might have nominally fallen due in the revised scale during the period from 1st January 1986 to the date of expiry of the penalty. The next increment in the revised scale will be regulated in accordance with Rule 7 of these rules.

(2) Subject to the provisions of rule 4, if the pay as fixed in the officiating post under sub-rule (1) is lower than the pay fixed in the substantive post the former shall be fixed at the stage next above the substantive pay.

7. *Date of next increment in the revised scale.*—The next increment of an employee whose pay has been fixed in the revised scale in accordance with sub-rule (1) of rule 6, shall be granted on the date he would have drawn his increment, had he continued in the existing scale:

Provided that in cases where the pay of an employee is stepped up in terms of Note 3 or Note 4 or Note 6 to sub-rule (1) of rule 6 the next increment shall be granted on the completion of qualifying service of twelve months from the date of stepping up of the pay in the revised scale:

Provided further that in cases other than those covered by the preceding proviso, the next increment of an employee whose pay is fixed on the 1st day of January 1986 at the same stage as the one fixed for another employee junior to him in the same cadre and drawing pay at lower stage than his in the existing scale, shall be granted on the same date as admissible to his junior, if the date of increment of the junior happens to be earlier:

Provided also that in the case of persons who had been drawing maximum of the existing scale for more than a year as on the 1st day of January 1986, the next increment in the revised scale shall be allowed on the 1st day of January 1986:

Provided that in cases where the employee reached the maximum of the pre-revised scale (having annual increments) after 1st January, 1985, the next increment in the revised scale shall be granted on the completion of service for the full incremental period counting from the date on which he reached the maximum of the existing scale:

Provided further that in cases where the employees drawing pay in the existing pay scale, having biennial increments reached the maximum of the pre-revised scale after 1st January, 1985, the next increment in the revised scale shall be admissible on completion of service for the full incremental period counting from the date of election of revised scale of pay:

Provided further that after the pay is fixed under rule 6, if an employee is eligible for less than three increments, he shall be held eligible for three annual increments including normal and *ad hoc* increments. This will be inclusive of the increments admissible under the third proviso of this rule.

Note 1.—The *ad hoc* increments will be treated as personal pay and will count for all purposes *viz.* fixation of pay, calculation of leave salary, drawal of allowances and for pension.

Note 2. (a) Whenever the pay has been fixed under these rules the efficiency bar will become operative only with reference to such bars in the revised scale, irrespective of whether an employee had crossed or not crossed or had been held up at the efficiency bar in the existing scale.

(b) While fixing pay under these rules the efficiency bar will become operative only with reference to such bar in the revised scale, occurring after judicial fixation of pay irrespective of whether an employee had crossed or not crossed or had been held up at the efficiency bar stage in the pre-revised scale.

(c) Where an employee who is held up at the efficiency bar in the existing scale elects or is deemed to have elected the revised scale, his initial pay in the revised scale should be fixed under these rules and he should be granted the next increment on the date on which it is due in the revised scale provided that if the authority competent to allow the employee to cross the bar certifies that the employee would have been allowed to draw the increment in the existing scale on an earlier date, the next increment should be granted on such earlier date.

Note 3.—Where by the grant of one additional increment in terms of the third provision the revised scale applicable to the substantive post, the substantive pay of an employee exceeds his officiating pay at any time, the employee may be allowed, in addition to officiating pay, the difference between the officiating pay and substantive pay as personal pay to be absorbed in future increments for the periods during which the substantive pay exceeds the officiating pay.

Note 4.—In cases where two existing scales, one being a promotional scale for the other, are merged, and the junior employee, now drawing his pay in the lower scale happens to draw more pay in the revised scale due to grant of additional increment under third proviso above than the pay of the senior employee in the existing higher scale, the pay of the senior employee in the revised scale shall be stepped up to that of his junior from the same date and he shall draw next increment after completing the qualifying period from the date of such stepping up of pay.

Note 5.—In the case of an employee who was borne on a pre-revised scale of pay having biennial increments and who opts for revised scale of pay, the next date of increment shall be as under:—

(a) where the biennial increment in the pre-revised scale was due for payment in 1986, it would be payable on the due date of 1986,

(b) where the biennial increment in the pre-revised scale was due for payment later than 1986, the increment would be admissible on the anniversary of the election for the revised scale of pay.

Note 6.—(a) In the case of an employee whose increment accrued in the pre-revised scale on 1st January, 1986 such increment should be allowed first on that date and pay fixed in the revised scale thereafter.

(b) Where more than has been allowed under the third proviso to this rule, the next increment in such a case would accrue on 1st January 1987, subject to the maximum of the revised scale not being exceeded, except in cases covered by proviso (b) of sub-rule 1(A) of rule 6.

8. *Fixation of pay in the revised scale subsequent to the 1st day of January 1986.*—Where an employee continues to draw pay in the existing scale and elects to come over to the revised scale from a date later than the 1st day of January 1986, his pay in the revised scale from such date shall be fixed as under:—

(a) In respect of an employee who draws his increment annually/biennially and who opts to switch over to the revised scale of pay from the date of his next increment falling after 1st January, 1986 but not later than 31st December, 1987 in respect of the post held by him on 1st January, 1986, his pay shall be fixed in accordance with the provisions of rule 6. However, such an employee shall not be eligible for 20 per cent of basic pay subject to a minimum of Rs. 75 per month for the period from 1st January 1986 till the date on which he switches over to the revised scale. The amount of *ad hoc* increase of 20 per cent of basic pay subject to a minimum of Rs. 75 p.m. already drawn by him from 1st October, 1986 till the date on which he switches over to the revised scale, shall be adjusted against the arrears of pay and allowances payable to him, if any, and the balance shall be recovered, in suitable instalments.

(b) In the case of employee who elects to come over to the revised scale later than 31st December, 1987, his pay from that date shall be fixed under Maharashtra non-Agricultural Universities and Affiliated Colleges Standard Code (Terms and Conditions of Service of non-teaching employees) Rules, 1984 and for this purpose his pay in the existing scale shall have the same meaning as of existing emoluments as calculated in accordance with clause (A), clause (B) or clause (C), as the case may be, of sub-rule (1) of rule 6 except that the basic pay to be taken into account for calculation of those emoluments will be the basic pay on the later date aforesaid and where the employee is in receipt of special pay, his pay shall be fixed after deducting from those emoluments an amount equal to the special pay. Such an employee shall not, however, be eligible for 20 per cent of basic pay in the existing scale subject to a minimum of Rs. 75 per month for fixation of pay in the revised scale. In such cases, the *ad-hoc* increase of 20 per cent of basic pay subject to a minimum of Rs. 75 already drawn from 1st October 1986 shall be recovered, in suitable instalments.

9. *Fixation of pay on reappointment after the 1st day of January 1986 to a post held prior to that date.*—An employee who had officiated in a post prior to the 1st day of January, 1986 but was not holding that post on that date and who on subsequent appointment to that post draws pay in the revised scale of pay shall be allowed the benefit of the proviso to Rule 18 of the Maharashtra non-Agricultural Universities and Affiliated Colleges Standard Code, (Terms and Conditions of Service of non-teaching employees) Rules, 1984 to the extent it would have been admissible had he been holding that post on the 1st day of January 1986, and had elected the revised scale of pay from that date.

10. *Mode of payment of arrears of pay.*—The arrears of pay to which any employee may be entitled in respect of the period from 1st January 1986 to 31st August 1988 (both days inclusive) under these rules shall be credited to the provident fund account of the employee and shall not be permitted to be withdrawn for three years upto 31st December 1991 except in the case of employees who have retired or ceased to be in service during this period.

11. *Overriding effect of Rules.*—The provisions of the Maharashtra non-Agricultural Universities and Affiliated Colleges Standard Code (Terms and Conditions of Service of non-teaching employees) Rules, 1984 shall not, save as otherwise provided in these rules, apply to cases where pay is regulated under these rules, to the extent they are inconsistent with these rules.

12. *Power to relax.*—Where the Government is satisfied that the operation of all or any of the provisions of these rules causes undue hardship in any particular case, it may, by order, dispense with or relax the requirements of that rule to such extent and subject to such conditions as it may consider necessary for dealing with the case in a just and equitable manner.

13. *Interpretation.*—If any question arises relating to the interpretation of any of the provisions of these rules, it shall be referred to the Government of Maharashtra in Education & Employment Department whose decision, thereon will be final.
